Personal Statement

A motivated individual that submits to the fullest under minimal supervision, good team player and quick to adapt to changes and always willing to take up a challenge as a learning opportunity.

Highlighted Software Application

Neighborhood
Designed and developed the whole project, September 2019.

  URL: https://vinimtaani.herokuapp.com

Neighbourhood is a web application that allows user to be in the loop about everything happening there your neighborhood. From contact information of different handyman to meeting announcements or even alerts.

- ● Used JavaScript,HTML,CSS and Jquery.

CareHub
Scrum Master, August 2019
URL: https://carehub-kenya.herokuapp.com/
This is a blog support site for cancer patients to share their stories and inspire others or encourage them. And provide information on how to access medication.

- ● Used python.Flask,HTML,CSS,Javascript.
- ● Delegated duty among the team
- ● Worked on the backend and medical aspects of the application.
